This Appalachian home is focused around a large free standing floor to ceiling stone FP. The Pacific Energy wood burning stove anchors a main floor gracious living space with soaring cathedral ceiling. The adjoining kitchen has a large island w/ handcrafted cabinetry, all in a sun washed, welcoming living area. Main level spacious MBR and bath features modern style Mendota gas FP. Main level also includes a 2nd full b, 2 walk-in closets, and a laundry room. Hard wood floors throughout. An 823 S F room, not included in house SF, is a spacious flowing area for expansion. Floating wood stairs lead to a 2nd floor guest BR suite with a full bath, a study/library with plenty of built-in book shelves. 1085 SF decking wraps house including MB. Home nestled on 17.5 private acres views pond and native mature forests and plantings, wildlife abounds. All of this 1.5 miles from BRP and hike the Mountain to Sea Trail! The Ox Creek community is a big plus. DT Weaverville and Asheville close proximity.

Internet-Frontier Television-Direct TV Primary bedroom -Bain Air tub - Air is heated for jets, can be remote controlled Ox Creek has a community center. Pet perks and community activities are frequent. No HOA 1.6 miles to Blue Ridge Parkway and less than a mile to Mountain to Sea Trail on
